## 2 BURNER GAS HOB

### UGH02S – UNIVA STAINLESS STEEL GAS HOB

Introducing the Univa 2 burner gas hob in Stainless Steel—a cornerstone of the Univa Domino Range, seamlessly blending sophistication with unwavering reliability in compact gas cooking. With 2 high-quality cast-iron burners, precision is at your fingertips, offering variable burner controls to elevate any culinary endeavor. Safety takes center stage with Univa's commitment to your home's well-being, featuring a reliable flame failure safety device. This innovative feature ensures peace of mind by promptly halting the gas flow if the flame extinguishes. Embrace sustainability without compromising performance—reduce your electricity bills and minimize your carbon footprint. Univa's high-efficiency gas burners consume 25% less energy, delivering not just savings but also reducing cooking time by an impressive 35%. Immerse yourself in modern convenience with the addition of New Knobs, enhancing both functionality and aesthetic appeal. With Univa, elevate your cooking experience while championing safety, efficiency, and sustainability in every culinary endeavor.
