CONVENIENT COMPACT MINI BAR FRIDGE

USD60W/M - UNIVA 46 LITRE MINI BAR FRIDGE

The Univa Convenient and Compact mini bar fridge is the epitome of efficiency and versatility, tailored specifically for small spaces such as hotel rooms, bedrooms, and student accommodations. Available in both White and Metallic colors, it seamlessly blends into any environment with its sleek design. One of its standout features is its adjustable temperature control, allowing users to tailor the cooling settings to their specific needs. Boasting an impressive A energy rating, it not only keeps your beverages and snacks refreshingly chilled but also does so in an environmentally friendly manner, saving both energy and cost. Its low noise levels ensure uninterrupted relaxation or productivity, making it ideal for quiet settings. Additionally, the inclusion of a freezer compartment adds a layer of convenience, allowing for the storage of frozen treats or ice packs for beverages.
