Conquer the biggest laundry loads with the Univa 18kg Top Load Washing Machine, built for efficiency, performance, and durability. With its impressive 18kg capacity, it's the perfect solution for large households. The stainless steel drum delivers tough yet gentle care for your fabrics, while Air Dry technology helps reduce drying time and energy use.

Smart Fuzzy Logic Control and 12 versatile wash programs ensure optimal results every time — whether you're washing delicates or heavy-duty loads. Featuring a soft-close lid and a sleek LED display, this washer blends power with convenience. Its sturdy construction is designed to withstand frequent use without compromising performance. Like all Univa appliances, it's backed by a 2-year warranty and trusted for long-lasting reliability.
