STYLISH BLACK FOUR BURNER GAS HOB

UGH640B – UNIVA BLACK 4 BURNER GAS HOB

Introducing the Univa 4 burner gas hob in sleek Black, a kitchen appliance designed to revolutionize your cooking experience while prioritizing energy efficiency and safety. Say goodbye to soaring electricity bills and hello to sustainable cooking practices with this eco-friendly alternative. Utilizing high-efficiency gas burners, this hob consumes 25% less energy than traditional electric stoves, reducing both your carbon footprint and cooking time by an impressive 35%. Worried about safety? Fear not, as the flame failure safety feature ensures peace of mind by instantly cutting off the gas supply if the flame accidentally extinguishes. Plus, with the high-power wok burner delivering an evenly dispersed flame, you can achieve consistently delicious results with every dish. Embrace a greener, more efficient way of cooking with the Univa 4 burner gas hob, where sustainability meets culinary excellence.
