FEATURES

UFF2-570MWD, 439L METALLIC FRIDGE

The Univa 439L Side by Side Fridge offers a sleek metallic finish and generous storage for busy households. With an A+ energy rating, it's designed for efficiency, while the Total No Frost system keeps food fresh without icy build-up. The external soft-touch digital display allows for easy temperature control, and the built-in water dispenser adds everyday convenience. Sky Power LED lighting brightens every corner, and features like Super Freeze, Holiday Mode, and a Child Lock ensure optimal performance and safety. Crystal crisper and freezer drawers keep your groceries neatly organised.
