## UB150M

The Univa UB150 108L Combi Fridge is a compact and efficient solution, ideal for everyday use in smaller spaces. It offers a total net capacity of 108 litres, with a 72L fridge section and a 36L freezer compartment.

With an A Energy Class rating and a 4-Star Freezer Rating, it ensures reliable cooling performance while allowing for safe, longer-term freezing below -18°C.

Designed for convenience, the UB150 features mechanical temperature control, durable tempered glass shelves, and a well-organised interior with a crisper drawer and door balconies. The reversible door adds flexibility, making it a practical fit for any kitchen or living space.
