142 LITRE DUAL-MODE CHEST FREEZER

UCF185W/M

The Univa UCF185 Chest Freezer provides reliable and efficient food storage with a spacious 142-litre capacity, making it ideal for small to medium-sized households or as additional freezer space. Its clean white finish and minimalist design allow it to blend seamlessly into any kitchen, pantry, garage, or utility area. The freezer features a durable lift-up lid with an integrated handle, ensuring easy access while maintaining a sleek and modern appearance. The scratch-resistant top surface is designed for everyday household use while complementing the appliance's practical styling. Convenient front-mounted controls allow you to easily switch between fridge and freezer modes, giving you flexible storage depending on your needs. An indicator light clearly shows when the appliance is in operation. A manual defrost drain located at the bottom ensures easy cleaning and maintenance. With its compact footprint and adjustable leveling feet, the UCF185 offers stable placement while maximizing storage space for frozen foods, bulk groceries, or household essentials. The Univa UCF185 Chest Freezer combines practical design, flexible functionality, and dependable performance, making it a convenient and versatile storage solution for any home.
