# CONVENIENT COMPACT MINI BAR FRIDGE

**USD125W/M - UNIVA 90 LITRE MINI BAR FRIDGE**

The Univa Compact & Convenient Mini Bar Fridge is designed for maximum efficiency in minimal spaces, making it the ideal cooling solution for hotel rooms, bedrooms, offices and student accommodation. Available in White and Metallic finishes, its clean, modern design blends effortlessly into any environment. Featuring adjustable temperature control, the fridge allows users to customise cooling to suit their needs. It delivers reliable performance while maintaining an A energy rating, ensuring low energy consumption and reduced running costs. Quiet operation makes it perfectly suited to bedrooms and workspaces, while the integrated freezer compartment provides added convenience for ice, frozen snacks, or ice packs. New to the USD125 model is a dedicated crisper drawer, ideal for keeping fresh fruit and vegetables crispy and organised. Compact, practical, and energy-efficient, the Univa mini bar fridge offers everyday convenience without compromise.
