## UT165M, 127L METALLIC TOP FRIDGE

The Univa UT165M 127L Top Freezer Fridge offers a practical design with a 127-liter total capacity, divided into a 93L fridge and a 34L freezer. With an A energy rating and 4-star freezer rating, it's both efficient and reliable.

This model includes mechanical temperature control, a bright interior light, and sturdy glass shelves for easy organization. The crystal crisper drawer keeps produce fresh, and door balconies provide additional storage. The reversible door allows for flexible placement, making it an ideal choice for any kitchen.
